I am writing to let you know that as a resident of North Douglas near Fish Creek Road I am opposed to the proposed ATV park for several reasons.

- 1) It will introduce noise into an otherwise quiet neighborhood (it is pretty quiet right now out here-- I've lived out here for over 30 years and it is pretty quiet).
- 2) It will decrease property values adjacent to the Park.
- 3) The city should listen to folks who live in the area more than any other group. A huge majority of the folks who live in the area are totally opposed to the park. That in itself should be enough to kill this proposal.
- 4) Liability issues--enough said.

(I regret not being able to make the last meeting--I was traveling with my family.)

I am not opposed to an ATV park in Juneau, I just don't want it in anyone's back yard. This is something for heavily industrial areas, not neighborhoods.

Thanks,

Steve Morley
